### **Description:**

The Islamic Studies compulsory course provides a comprehensive exploration of Islam's core elements. The course covers basic beliefs, daily practices like prayer and fasting, the prophet's life and many more.

A significant portion of the course is dedicated to the study of Quranic verses that serves as the corner stone of Islamic faith. The students gain the ability to appreciate the wisdom behind the verses and understand their relevance in contemporary contexts.

Apart from that Ethical values are discussed in the context of personal growth and societal contribution. Through critical thinking, students address contemporary challenges while understanding Islam's role in a globalized world. This course fosters a deep understanding of Islam's essence, preparing students for lifelong engagement with its principles.
